Dean Sudharshan Announces Plan to Return to Faculty

D. Sudharshan, Dean of the Gatton College of Business & Economics, has announced his intention to relinquish his position as Dean of the College as of June 30, 2011. Dean Sudharshan has been with the Gatton College since July 2003.

Prior to coming to the University of Kentucky, Dean Sudharshan served as a faculty member and associate dean of planning at the University of Illinois Urbana-Champaign's College of Business. During his tenure at the Gatton College, Dean Sudharshan helped spearhead numerous academic and administrative endeavors, including:

- launching of the One Year MBA program
- development of Project Destiny, the umbrella for Gatton's Signature Programs which include Global Scholars and Scholars in Engineering and Management
- creation of the MBA program in Greece
- relaunching of the M.S. in Accountancy program
- rehailed the College's fundraising endeavors raising nearly \$50 million in cash and pledges
- reorganization of the College's Business Partnership Foundation Board

"Under Dean Sudharshan's stewardship, the Gatton College has made considerable progress on multiple fronts: education (e.g., the Global Scholars program; the 11-month MBA), research (e.g., establishment of a leading Network Theory group), and development," said UK Provost Kumble Subbaswamy. "He has built a sound foundation on which the next dean can further enhance the national visibility of the Gatton College."

Plans are being developed to begin the search process for a new dean. Gatton College administrators and UK administration are working together to establish the process. Dean Sudharshan currently plans to return to the classroom as a faculty member at the College.

The Gatton Report is an annual newsletter produced by the Office of Development and Advancement of the Gatton College of Business and Economics at the University of Kentucky.

Dear Friends of the Gatton College,

It has been my privilege to serve as the Dean of the Gatton College of Business of Economics since July 1, 2003. I have, with mixed emotions, requested the Provost's permission to relinquish my position as Dean as of June 30, 2011, and he has reluctantly agreed. For all the help I received during my tenure at Gatton, I am eternally thankful. Over the last seven years we have been on a long journey and have together achieved much.

I am especially thankful for your support over this past fiscal year. Through your generosity and caring for your College, from July 1, 2009 – June 30, 2010, we have raised \$2,092,801.78. On the pages that follow are listed the names of individuals who have financially supported the Gatton College. We are grateful to each one of you for your continued support of the College. Without supporters like you, the College would not be able to prepare the many college students who walk through our doors as effectively as we do.

As I begin my last year as Dean of the Gatton College, I look forward to continuing to work side-by-side with you. I have no doubt that the 2010-2011 academic year will be a fantastic one. Once again, thank you for your support of the Gatton College.

Sincerely,

D. Sudharshan
Dean, Gatton College of Business & Economics

Looking back

ON 2009 - 2010

Gatton Grad Named President of Kroger Co.

The nation's largest traditional grocery store chain named W. Rodney McMullen the company's president in August 2009. The Kroger Co. announced at its annual shareholders last year that Mr. McMullen, who also serves on Gatton College's Business Partnership Foundation Board, would succeed Don McGeorge as president and chief operating officer. Previously, Mr. McMullen served as the company's vice chairman.

Mr. McMullen earned bachelor's degrees in accounting and business administration in finance from Gatton in 1981, and he earned a master's degree in accounting from Gatton in 1982. He was inducted into the Gatton College Hall of Fame in 2005.

Gatton Grads Appointed to UK Board of Trustees

In 2009, Gov. Steve Beshear appointed two graduates of the Gatton College to the University of Kentucky Board of Trustees.

Carol Martin "Bill" Gatton, banking, automobile dealership and real estate entrepreneur with holdings in west and central Kentucky and east Tennessee, joined the Board last fall. Mr. Gatton earned his bachelor's degree from UK's College of Business and Economics in 1954 and later shared his success with the College in the form of a multi-million dollar gift in the mid-1990s, the largest ever made to the university at the time. The Board of Trustees later renamed the College the Carol Martin Gatton College of Business and Economics. Gatton is a UK Presidential Fellow, a member of the UK Alumni Association Hall of Distinguished Alumni and the Gatton College Hall of Fame and is currently serving on the UK Athletic Association Board of Directors and UK's Business Partnership Foundation. He is a member of the Alumni Association, supports the K Fund and Gatton College, and was formerly a member of the Capital Campaign Steering Committee. This is Gatton's first appointment to the UK Board of Trustees.

James W. Stuckert, an executive with Hilliard Lyons in Louisville, was also named to the Board. Mr. Stuckert is an alumnus of UK, earning his bachelor's degree in mechanical engineering in 1960 and his Master of Business Administration degree in 1961. Mr. Stuckert has been active with UK's alumni and development efforts for many years. He has served as chair of the UK Development Council since 1999 and was the national chairperson for UK's \$1 billion comprehensive fundraising campaign, the first ever undertaken by the university. Mr. Stuckert has served as president of the UK Alumni Association and remains a member of the association's board of directors. He is a UK Presidential Fellow, Library Fellow, Alumni Association Fellow and supports the K Fund and Gatton College. He was honored for his philanthropic activity when the UK Stuckert Career Center was named for him in 2000. Mr. Stuckert is a member of the UK Alumni Association Hall of Distinguished Alumni, the College of Engineering's Hall of Distinction and the Gatton College of Business and Economics' Hall of Fame. This is Mr. Stuckert's first appointment as a UK Trustee.

Gatton team places highly in national biz competition

Students from the University of Kentucky's Gatton College of Business & Economics placed highly in the 2009 *Wall Street Journal* National Biz Quiz competition.

Gatton's team of Jeff Wei, Kent Mulberry and Andrew DuPerrieu placed seventh of 18 groups in the team competition. The event was held at Ohio State University's Fisher College of Business. The competition's questions were taken from six weeks of *Wall Street Journals* on a variety of topics.

Gatton College Hosts Annual Chellgren Lecture

The Gatton College of Business and Economics hosted its annual Chellgren Lecture last November with Mr. Rodney Lanthorne ('67 BE) of Kyocera Corporation as the lecturer. Mr. Lanthorne spoke on the topic "For People and For Profit: The History and Philosophy of Kyocera."

Mr. Lanthorne is Director of Kyocera Corporation, President of Kyocera International, and Chairman and President, Kyocera Wireless Corporation. Kyocera Corporation, based in Japan, is a leading supplier of telecommunications equipment, office document systems, solar energy products, semiconductor packages, electronic components, cutting tools, and industrial ceramics.

Gatton's Evening MBA Program Ranked by U.S. News

The Evening MBA program at the University of Kentucky's Gatton College of Business and Economics is nationally ranked among part-time MBA programs in the 2011 edition of "Best Graduate Schools," published this past spring by the editors of *U.S. News and World Report*. Gatton's evening program is tied for 51st in the rankings published today by the weekly news magazine.

U.S. News's new part-time MBA ratings are based on a fall 2009 peer assessment survey that asked business school deans and MBA program directors at each of the nation's 314 part-time MBA programs to rate all of the other programs on a specified point scale.

Gatton Welcomed 2010 Hall of Fame Class

The University of Kentucky's Gatton College of Business and Economics Alumni Hall of Fame inducted members last April. The 2010 inductees represented several different professions and career paths, yet were all distinguished in their business pursuits and in civic and community leadership. This is the 17th class of inductees to the College's Hall of Fame.

The inductees included:

Joseph W. Craft III, Class of 1972, is president, chief executive officer and director of Alliance Resource Partners LP, a diversified producer of coal. He graduated from the Gatton College at the University of Kentucky with a B.S. degree in accounting in 1972 and a J.D. from the University of Kentucky College of Law in 1976. He is active in his community and his family supports social services and education in Tulsa, Okla., as well as in Kentucky, including providing funds for the Joe Craft Center at UK. In addition to his academic degrees from UK, Craft also is a graduate of the Senior Executive Program of the Alfred P. Sloan School of Management at the Massachusetts Institute of Technology.

Richard J. Huxley, Class of 1980, is the owner of Richard J. Huxley, LLC. Huxley has over 28 years of experience in the investment field. He retired in 2008 from Clover Capital Management as Executive Vice President, Investment with responsibilities that included overall direction of the firm's fixed income department, and equity research in regulated utilities. He graduated from the Gatton College of Business and Economics in 1980 and was recipient of the 1980 *Wall Street Journal* Award for academic achievement. Huxley resides in Fairport, N.Y.

Henry Clay Owen, Class of 1961, joined the University of Kentucky business staff in 1964, and was appointed Controller in 1969 and Treasurer in 1982. Owen retired in January 2008 after his long tenure of 43 years, during which he was instrumental in establishing the University's automated accounting and internal control systems and effective financial systems noted for their accuracy and integrity, including cash management, investment programs and debt management. He received his Bachelor of Science degree (Commerce) in 1961 and his Master of Science degree (Education) in 1977, both from the University of Kentucky. He is a University of Kentucky Fellow, a Kentucky Colonel, and resides in his hometown of Paris, Ky., with his wife of 50 years, Betty Owen.

Geoffrey Rosenberger, Class of 1974 and 1976, is a CFA (Chartered Financial Analyst) CFA Institute, formerly Association for Investment Management & Research (AIMR). He started his career with Manning & Napier Advisors, Inc. in 1976 as a Security Analyst & Portfolio Manager. In 1984, he co-founded Clover Capital Management, Inc. and was the Managing Director of this investment management firm which, subsequent to its 2008 sale to Federated Investors, is now known as Federated Clover Investment Advisors. Rosenberger now manages his personal holding company, Lily Pond Ventures, LLC. Rosenberger graduated from the Gatton College at the University of Kentucky with a B.S. Economics in 1974, and an MBA in 1976. He resides in Pittsford, N.Y.

Gatton College Hosts Forum on Kentucky & India

Last April, nearly 300 people gathered in downtown Lexington for the Gatton College's "A Global Business Bridge: Linking Kentucky & India." The day-long forum featured CEOs, educators, and government officials from both Kentucky and India, who sought to develop and deepen strategic business and economic relationships between two of the world's largest democracies. The event culminated with a "Celebrating Kentucky & India" dinner where leaders from Kentucky and India addressed the gathering, including Dr. A.P.J. Kalam, 11th president of India; Congressman Ben Chandler, Kentucky; Congressman Jim McDermott; Washington; and Ambassador Meera Shankar, Indian Ambassador to the U.S.

UK Students Make Good Showing at Idea State U

A strong showing was turned in by several students from the University of Kentucky's Gatton College of Business and Economics, and UK's College of Engineering at last spring's Idea State U - Kentucky Student Business Concept and Business Plan Competition in Lexington.

In the undergraduate business plan competition, UK's team, "WARPT Displays," took second place honors, earning a total of \$7,728.95 in award money. This team was comprised of four senior engineering students and two senior Gatton students.

Faculty adviser and Gatton professor Holly Hapke was recognized with a \$1,000 award as the top advisor among all the schools represented. Even though Gatton's entry in the undergraduate concept plan, "Green Generation," did not place, the one-man team of Mitchell Mazzaro, a senior economics major from Cincinnati, Ohio, drew high praise for his forward thinking, energy, and passion.

Teams representing all eight of Kentucky's public universities took part in the competition.

Gatton's Troske Named to Congressional Oversight Panel

Kenneth R. Troske, Sturgill Professor of Economics and chair of the Department of Economics at the Gatton College of Business and Economics, was appointed to the five-member Congressional Oversight Panel (COP), which was created in response to the nation's financial crisis.

The appointment was announced last May by U.S. Senate Republican Leader Mitch McConnell who selected Troske to serve on the panel. Troske replaced former Securities and Exchange Commissioner Paul S. Atkins, who recently stepped down from the COP.

Troske, who also serves as director of UK's Center for Business and Economic Research (CBER) and as co-director of the University's Sloan Center for a Sustainable Aluminum Industry, has taught at UK since 2005.

"Ken Troske has the right experience and knowledge to serve on the Congressional Oversight Panel," said McConnell. "His extensive economics background will be put to great use as the panel works to ensure that the Treasury Department and other financial institutions are doing what needs to be done to stabilize the economy and protect the consumer."

On Oct. 3, 2008, Congress created the Office of Financial Stability (OFS) within the Treasury Department to implement a Troubled Asset Relief Program (TARP). At the same time, Congress created the oversight panel to review the state of financial markets and the regulatory system. Congressional leaders make appointments to the COP.

Troske's appointment to the Congressional Oversight Panel was effective immediately. He participated in the panel's June hearing in Washington D.C., where events surrounding the federal government's bailout of AIG were examined.

KENNETH R. TROSKE
