

Posted at "Tolly Ho" restaurant, Lexington, KY, August 6, 2004 -- If you go to the web site <http://www.acorn.org/>, you will see that ACORN advocates for the living wage, and if you go to <http://www.commaction.org/news5.htm>, advocates claim the correct living wage level is \$10.18 per hour. Other web sites also have wage levels well in excess of \$7.00 per hour.

Need a job?

Want a job that makes a difference in the community?
