Gatton College of
Business and Economics

The Gatton College values our International partnerships. As a partner school student, you enter Gatton knowing your classes will transfer, making it possible to easily finish your undergraduate degree in just two years. Students who transfer to Gatton experience strong academic programs in a safe and friendly environment.

A Globally Ranked Education

At Gatton you will receive a globally ranked education. The Gatton College is AACSB Accredited and ranked in the top 200 business schools world-wide on the Shanghai Global Ranking (ARWU). Our Marketing and Supply Chain faculty are ranked #41 in the UTD Worldwide Research Productivity Rankings.

International Partner Scholarships

The Gatton College is proud to offer International Partner Scholarships to our partner school and undergraduate transfer students. We will award up to \$4000 and \$1500 annually for two years for admitted students with GPAs above a 3.5 and 3.0, respectively, and with strong TOEFL or IELTS scores. Students who have been accepted to Gatton by April 1 will be eligible for scholarships.

**“Gatton is a
place of excellence.”**

Yuejia Lyu (Gatton Graduate of 2017)

Graduate Student, Enterprise Risk Management
Columbia University, New York, NY

Lexington Life

Lexington, Ky. is a great place to learn and live, with many extremely strong internship opportunities, as well as unique entertainment activities including thoroughbred horse racing and University of Kentucky basketball. Lexington ranks #3 as the safest city in America and #8 as the best U.S. travel destination, and #2 for best midsize city for new graduates. (For more rankings, see www.locateinLexington.com/bluegrassrankings.aspx).

Gatton Career Support

Along with your academic preparation, Gatton offers career development services specific to international students. Comprehensive services will assist you with OPT and CPT, finding internships and employment, and applying to graduate school.

Our graduates have careers at Toyota, General Electric, BMW, and the Big Four accounting firms. Recent international graduates are attending masters programs at Columbia University, Wake Forest University and University of Virginia.
