EDUCATION

University of Kentucky

Master of Science in Supply Chain Management

Lexington, KY

January 2025- August 2026

Relevant Coursework: Production and Operation Management, Supply Chain Fundamental and Strategy, Sourcing, Purchasing and Contract Management, Data Analytics.

Regional Maritime University

Bachelor of Science in Logistics Management

Accra, Ghana

June 2019

Cumulative GPA:3.40/4.0

Relevant Coursework: International Trade, Cargo Science, Transport Economics, Logistics Information System, Shipping Law, Custom Procedures and Practice, International Shipping and Logistics, Supply Chain Management, Intermodal Transport and Management, Warehouse Management.

WORK EXPERIENCE

Twyford Ghana Ceramics Company

Export Officer

Aboadzei, Ghana

June 22- December 2024

- Implemented a standardized documentation process using ICUMS software, ensuring precise preparation of Custom Declaration Forms, UCR, LOC, and Certificates of Origin.
- Enhanced regulatory compliance, reduced processing errors by 30%, and expedited shipment clearance, improving overall operational efficiency.

Y&K Investment Limited

Logistics Officer

Koforiduah, Ghana.

January 2021-May 2022

- Optimized shipment scheduling strengthened supplier collaboration and leveraged Oracle software for real- time inventory tracking.
- Reduced transportation delays by 25%, improved supply chain reliability, and minimized cost through data-driven inventory optimization.

Electricity Company of Ghana

Warehouse officer

Sekondi, Ghana

January 2020-December 2021

- Conducted rigorous inventory audits, reinforced stock control measures, and maintained meticulous documentation of warehouse transactions.
- Improved inventory accuracy by 20% ensured optimal stock availability, and enhanced warehouse operational efficiency.

TECHNICAL SKILLS

Supply Chain & Logistics Software: ICUMS (Export Documentation) Oracle (Inventory & Warehouse Management), FLEXIM Simulation, Fresh Connect Simulation.

Maryam Amro

www.linkedin.com/in/maryam-amro

Pittsburgh, PA | +1 859-699-5410 | amrmariam2000@gmail.com

PROFESSIONAL SUMMARY

- Transitioning from Industrial Engineering to a Master's in Supply Chain Management, I am strengthening my analytical expertise through a Graduate Certificate in Business Analytics, using Tableau, SQL, and Excel Solver to drive data-informed decision-making.
- Through leadership roles and diverse internships, I have negotiated with business owners, led cross-functional teams, and been exposed to supply chain complexities in procurement, e-logistics, and production.
- As an IR4TD-funded Research Assistant, I developed a problem-solving framework in Lean Systems, applying True Lean Certification principles to enhance process efficiency and business performance.

EDUCATION

- **Master of Science in Supply Chain Management** Expected graduation: August 2025
University of Kentucky Lexington, KY
GPA: 4.0
- **Industrial Engineering** May 2023
Al-Yarmouk University Irbid, Jordan
GPA: 3.6

PROFESSIONAL EXPERIENCE

Graduate Research Assistant Aug 2024 – Present
Institute of Research for Technology Development (IR4TD) – University of Kentucky Lexington, KY

- Analyzed best practices in problem-solving and implemented a comprehensive framework tailored to organizational needs, showcasing critical thinking and adaptability.
- Developed an optimal lean certification schedule using Excel Solver, increasing projected revenue by \$600,000, highlighting resource management and strategic planning.

Procurement Intern Mar 2023 – May 2023
Nuqul Group Amman, Jordan

- Conducted comprehensive analyses to evaluate supplier performance, optimizing procurement decisions for cost and quality.
- Developed detailed procurement reports and dashboards, providing actionable insights that enhanced stakeholder decision-making and supply chain visibility.

E-Logistics Intern Feb 2023 – Mar 2023
Reyton Amman, Jordan

- Managed e-commerce operations, tracking orders using an OMS to ensure timely delivery, demonstrating attention to detail and process management.
- Negotiated shipping contracts and created performance reports, optimizing shipping rates and enhancing data-driven decision-making.

Hikmat Leaders Fellow Apr 2022 – Aug 2022
AlJude for Non-Profit Organization Amman, Jordan

- Selected as one of 20 participants from 200 candidates for a leadership development program, highlighting decision-making and communication skills.
- Recognized as a top performer for presenting an impactful passion project, showcasing creativity, strategic thinking, and persuasive communication.

Production Intern Jul 2021 – Jul 2021
Fine Hygienic Holding (FHH) Amman, Jordan

- Gained experience in production line operations, applying operational excellence principles to improve process efficiency.
- Completed a graduation project on productivity and efficiency improvements, demonstrating analytical and problem-solving skills in a manufacturing context.

LEADERSHIP EXPERIENCE

Industrial Engineering and Operations Management Society International (IEOM)

Oct 2024 - Present

Student Member

- Organized operations management activities and participated in global conferences to enhance knowledge of industry trends.

True Lean Department – UKY

Sep 2023 – May 2024

Volunteer

- Analyzed KPIs and developed visual representations to support continuous improvement initiatives.
- Contributed to circular economy research by integrating lean systems principles.

AIESEC

Mar 2021 - May 2021

Team Member to Project Manager to Team Leader

- Managed a 10-member team across 3 sub-teams to execute a successful marketing event.
- Established partnerships as Team Leader, strengthening AIESEC's presence in Jordan.

The Industrial Team at Al-Yarmouk University

May 2020 - Jan 2021

Head of Training and Development

- Led a 15-member team to design workshops connecting industrial engineering students with industry experts.

WIE (Women in Engineering) IEEE Affinity Group

Aug 2019 - Dec 2020

Secretary

- Organized networking events with female engineering role models to inspire and empower women in engineering.
- Coordinated training programs focused on professional growth and leadership development.

Esterdad Center

Nov 2019 - Apr 2020

Quality Assurance Team Member

- Evaluated training sessions and enhanced instructor performance through constructive feedback.

Hult Prize

Jul 2019 – Oct 2021

On-Campus Director and Competitor

- Organized and led the university-level competition, inspiring students to tackle global challenges through innovative projects.
- Competed in the international social entrepreneurship challenge, gaining hands-on experience in project development.

Electine Bushuru

Lexington, KY-Open to relocate | (859) 814-3695 | electine.bush@gmail.com
